Dear Sir Parungao,

Warm Greetings!

Save the Children is an organization fighting for children's right to a future. We believe that every child deserves a future. In the Philippines and around the world, we work every day to give children a healthy start in life, the opportunity to learn, and protection from harm. When crisis strikes and children are most vulnerable, we are always among the first to respond and the last to leave. We ensure children's unique needs are met and their voices are heard. We deliver lasting results for millions of children, including those hardest to reach. We do whatever it takes for children – every day and in times of crisis – transforming their lives and the future we share.

As we continue our implementation of the Education Safe From Disasters project, we are requesting permission from your end to allow the **School Principal / School Head** and **School Disaster Risk Reduction Management Coordinator** from the abovementioned schools to participate in our project update meeting on **October 19, 2021 at 10:30AM to 11:30AM via Zoom**.

Please feel free to communicate with our Area Coordinator, James Rory R. Grecia, at mobile number +63 9773891196 or email: james.grecia@savethechildren.org for any questions or clarifications regarding this activity.

Truly Yours,
