### MEMORANDUM

21 October 2021

For: **Regional Directors and BARMM Education Minister  
Schools Division Superintendents  
School Heads**  
(Public and Private Elementary and Secondary Schools)  
**All Others Concerned**

Subject: **REQUEST FOR VIDEO MESSAGE AND PLEDGES FOR  
BIODIVERSITY CONSERVATION AND CLIMATE STABILITY  
FOR THE 5TH NATIONAL CLIMATE CHANGE CONFERENCE**

Pursuant to Proclamation No. 1667, s. 2008 declaring November 19 to 25 of every year as the National Climate Change Consciousness Week, the Department of Education (DepEd) through the Disaster Risk Reduction and Management Service (DRRMS) reaffirms its commitment in strengthening the *makakalikasan* value of learners and personnel, especially in the light of biodiversity conservation and climate change.

With the theme *Reinforcing Youth's Role on Stewardship of Biodiversity for Climate Stability*, this year's **online celebration of the 5th National Climate Change Conference (NCCC)** underscores the need to address biodiversity loss and climate change. This also aims to provide a platform to elevate discussions, strategize participatory and concrete actions that can be done to create meaningful change, and help the learners, personnel, and their families gain a deeper appreciation and awareness of the country's vast biodiversity. Kindly refer to **Enclosure 1** for the concept note.

In this regard, the DRRMS would like to request **all regional offices to submit a three (3)-minute video presentation** featuring a commitment message through their respective Regional Directors (RDs). This will be shown specifically on 25 November 2021 (Closing Ceremony). Kindly send the requested video through email at [drmo+ccam@deped.gov.ph](mailto:drmo+ccam@deped.gov.ph) **not later than 05 November 2021**.

In addition, learners and personnel from public and private elementary and secondary schools are invited to submit their **Biodiversity Conservation and Climate Stability Pledge** at <https://bit.ly/DepEd5thNCCCpledge> **not later than 08 November 2021**. Kindly refer to **Enclosure 2** for more guidance.

## 5th National Climate Change Conference

In celebration of the Global Warming and Climate Change Consciousness Week  
Theme: *Reinforcing Youth's Role on Stewardship of Biodiversity for Climate Stability*

### I. Rationale

Biodiversity is fundamental to sustaining life as it supplies critical ecosystem services such as food provisioning, water purification, flood and drought control, nutrient cycling, and climate regulation. These services are essential to support human well-being and economic growth.<sup>1</sup> Yet despite its significance to economy, society, health and cultural systems, biodiversity worldwide is being destroyed at an unprecedented and accelerating rate.<sup>2,3</sup>

According to a recent study, climate change is projected to negatively impact 273 biodiversity-rich areas across the globe.<sup>4</sup> Moreover, in the Asia-Pacific region, population of large wild mammals and birds has declined due to habitat degradation and fragmentation, and illegal trades. Invasive alien species, which is considered to be one of the most serious threats to biodiversity, has increased in number and abundance as a consequence of growing volume of international trade, transportation improvements, and cross-border migration. Additionally, human-induced drivers such as agriculture intensification and a shift to monoculture, overfishing, pollution, infrastructure development, and land use conversions, as well as indirect socioeconomic and demographic changes create further stress to biodiversity threatening its survival.<sup>5,6</sup>

Philippines is considered as one of the 17 megadiverse countries worldwide. However, it is also known as one of the “hotspot areas” where biodiversity is under tremendous threat of total destruction.<sup>7</sup> Recognizing the role of knowledge and capacity building in biodiversity conservation, the Department of Education (DepEd) is mandated to provide and inculcate environmental consciousness among learners and personnel.

“We, in the Department of Education, hold the responsibility to equip more learners with the appropriate learning and thinking skills that will enable them to become agents of change and advocates of Biodiversity. Grounded on our core values—*Maka-Diyos, Makatao, Makakalikasan, at Makabansa*, we remain committed to ensuring that our learners will grow into individuals who deeply care about the environment and ready to partake in its restoration,” said Secretary Leonor Magtolis Briones.

This is reaffirmed by Novie Kate Arellana, a B’laan Grade 6 pupil from Ladol Elementary School, Schools Division Office of Sarangani, who said that “*dapat tayong (fellow children) magkaroon ng kamalayan sa ating kapaligiran at dapat tayong magtulungan na mapabuti ang ating kinabukasan. Hindi dapat natin iniisip na bata pa tayo, dahil hindi naman basehan ang edad sa pagiging isang responsableng mamamayan.*”

With this year’s theme *Reinforcing Youth’s Role on Stewardship of Biodiversity for Climate Stability*, the 5th National Climate Change Conference (NCCC) celebration aims to provide a platform to elevate discussions, strategize participatory and concrete actions that can be done to create meaningful change, and help the learners, personnel, and their families gain a deeper appreciation and awareness of the country’s vast biodiversity.

The Conference will be streamed through the DepEd Philippines Facebook page, making it accessible to learners, DepEd personnel, and the public all over the country. This will focus on the role of biodiversity to climate stability; thus, we will have a virtual field trip to the Danjugan Island to be conducted by Philippine Reef and Rainforest Conservation Foundation. Further, we will feature different youth advocates, and climate change and biodiversity experts as they discuss the relation between the two topics. Finally, the Conference will provide a platform for learners to voice out their demands for climate action and feature their pro-active response to the changing climate.

The participants of the *Green Beat Initiative (TGBI): An Online Environmental Journalism Training for Campus Journalists and School Paper Advisers* and *KaLIKHAsan! Likha at Lakas ng Kabataan para sa Kalikasan: An Online Theater Production and Climate Action Training* will showcase their skills, while increasing the awareness of climate change among their fellow learners on the conference. Also, we have invited the trained environmental journalists in TGBI 2020 to feature and cover the event. Providing a platform to reinforce the role of youth in stewardship of biodiversity plays a crucial role in increasing youth participation in climate action.

## **II. Objectives**

General Objectives:

- Strengthen awareness of the role of biodiversity in climate stability among the education stakeholders; and

- increase participation of learners and DepEd personnel in climate change adaptation and mitigation interventions.

Specific Objectives:

- discuss the link of biodiversity and climate stability;
- discuss the role of youth on stewardship of biodiversity for climate stability;
- provide a platform for showcasing innovations on climate change adaptation and mitigation; and
- facilitate discourse and collaboration among learners, industries, social entrepreneurs, academe, civil society, and other stakeholders.

## **Enclosure 2. Guide for the 5th National Climate Change Conference – Biodiversity Conservation and Climate Stability Pledge**

To ensure that learners, personnel, families, communities, and other stakeholders are equipped with necessary knowledge and actively engaged in addressing biodiversity loss and climate change, the Department of Education (DepEd) through Disaster Risk Reduction and Management Service (DRRMS) is organizing an online celebration of the **5th National Climate Change Conference (NCCC)** on **19-25 November 2021** with the theme *Reinforcing the Youth's Role on Stewardship of Biodiversity for Climate Stability*.

This aims to provide a platform to elevate discussions, strategize participatory and concrete actions that can be done to create meaningful change, and help the learners, personnel, and their families gain a deeper appreciation and awareness of the country's vast biodiversity. Kindly refer to **Enclosure 1** for the concept note.

For questions or clarifications, please do not hesitate to contact the DRRMS through email at [drrmo+ccam@deped.gov.ph](mailto:drrmo+ccam@deped.gov.ph).

### **Pledge Template:**

Hi, I'm \_\_\_\_\_, and I pledge to help in reversing biodiversity loss and climate change by \_\_\_\_\_.  
Together, let's decide and act now – right now!

### **Message Guide**

- Speak clearly at a normal pace. You may deliver your message in English, Filipino, a combination of both, or your local dialect.
- Try to keep your message within 30 seconds.

### **Video Guide**

- Record the video preferably with your smartphone for better resolution. You may also record through your laptop, webcam device, or a digital meeting platform such as Zoom and Google Meet.
- Dress code: solid-colored top preferably contrasting the color of your background. Avoid wearing tops with busy prints.

- Background: Ideally a clean or not busy. Backgrounds with nature or greenery elements are also preferred.
- The camera should be at eye-level. Make sure that you are at arm's length from the camera.
- The video frame size/ratio should be 16:9. If you are using your phone to record, you can set the ratio to 16:9.
- Sample video framing:

- ✓ High-resolution
- ✓ Landscape orientation
- ✓ Centered medium shot/ half-body

- ✓ Proper head room/space between the top edge of the frame and the subject's head
- ✓ Look directly at the camera.

- When recording, remember to project your voice clearly and properly. Observe proper pauses.
