MAR 09 2022

REGIONAL MEMORANDUM

No. 152, s. 2022

TRAINING OF TRAINERS ON THE COMPUTER-BASED ASSESSMENT RELATIVE TO PROGRAMME FOR INTERNATIONAL STUDENT ASSESSMENT (PISA)

To: Schools Division Superintendents
Curriculum Implementation Division Chiefs
School Governance and Operations Division Chiefs
Education Program Supervisors in English, Math, and Science
All Others Concerned

1. In adherence to DepEd Order No. 29, s. 2017, "Policy on System Assessment in the K-12 Basic Education Program," the Philippines shall participate in international assessments, one of which is the 2022 PISA for international benchmarking. The Bureau of Education Assessment (BEA) shall spearhead the PISA administration in the country and serve as the National Center for the programme.
2. PISA is the largest international study designed and developed by the Organization for Economic Co-operation and Development (OECD). The goal of PISA is to evaluate education systems worldwide by testing the skills and knowledge of 15-year-old students who are approaching the end of their compulsory education. In our region, there are 12 Schools Division Offices and 22 schools that are participating in the Main Survey from March 28, 2022, to May 2022. The three (3) cognitive domains of PISA include Reading, Mathematics, and Science skills. For PISA 2022, **Mathematics** is the major domain and **Creative Thinking** is an innovative domain, which will be administered through a Computer-Based Assessment (CBA) scheme.
3. In view of this, DepEd Regional Office 3, through the Curriculum and Learning Management Division (CLMD) and Quality Assurance Division (QAD), shall conduct the Training of Trainers on Computer-Based Assessment Relative to PISA, on **March 14-18, 2022**, via MS Teams from 8:00 a.m. – 5:00 p.m.
4. This activity aims to:
 - 4.1 discuss the use of Computer-based Assessment (CBA) in Reading, Mathematics, Science, and Creative Thinking relative to the PISA 2022;
 - 4.2 develop test questions in Reading, Mathematics, Science, and Creative Thinking to be used in the simulation on March 22, 2022; and
 - 4.3 equip the trainers on the foundational knowledge and skills required in PISA 2022 relative to their training at the Division level.
5. The participants in this training are the select junior high school (JHS) Math, Science, and English teachers, preferably those who participated in the "Professional Development Program on Assessment and Emerging Literacies with Focus on PISA" or Master Teachers in the mentioned learning areas who are knowledgeable in using

Republic of the Philippines
Department of Education
REGION III-CENTRAL LUZON

the computer, Division ITO Coordinator, and ICT teacher. The distribution of participants per SDO is presented in Enclosure No. 1.

6. The knowledge and skills on the CBA that the JHS teachers will acquire from Regional/Division trainings shall also be applied/used in giving quizzes and long /unit tests/summative tests during the 4th Quarter of SY 2021-2022 and beyond for learners to become familiarized in taking CBA.

7. The Technical Working Group and the Pool of Resource Speakers are requested to attend the virtual meeting tomorrow, March 9, 2022, at 1:00 PM via MS Teams to finalize the training matrix and other details of the training.

8. The following documents are attached for information and guidance:
Enclosure No. 1 - Matrix of Participants
Enclosure No. 2 - Training Matrix
Enclosure No. 3 - Technical Working Group

9. Further, it is reminded that all teacher-participants are to provide asynchronous activities for their students while they are in the training.

10. The accomplished and signed consolidated list of participants per schools division shall be submitted on or before March 11, 2022, through clmd.ro3@deped.gov.ph.

11. Should there be any question or query regarding this activity, kindly message Nestor P. Nuesca EdD, Chair of Technical Working Group, at the email address clmd.ro3@deped.gov.ph.

12. Wide dissemination of and compliance with this Memorandum is highly desired.
