CC: Engr. Albert Manlutac

Regional DRRM Coordinator
20 Schools Division DRRM Coordinators
40 Pilot Schools

Dear RD Eclar,

Warm Greetings!

Save the Children is the world's leading independent children's organization. It has been working in the Philippines for over three decades and is dedicated to helping children learn, survive, and be protected. In the Philippines and around the world, we give children a healthy start in life, the opportunity to learn, and protection from harm.

Save the Children has been working in partnership with the Department of Education's Disaster Risk Reduction and Management Service (DRRMS) and Information, Communication, and Technology Service (ICTS) to implement the Education Safe from Disasters Project: Developing an Ecosystem for Comprehensive School Safety in the Philippines, with the support of Prudence Foundation. Now on its third year of implementation, we continue our pilot testing in Region 3 while preparing for rollout to another region later this year.

In this light, we are requesting permission for **10 selected students per school** to participate in our activity entitled **Re-Organizing of Batang Empowered and Resilient Team (BERT) / School Watching Team (SWAT): Virtual Kamustahan Session**. To ensure everyone's safety, we will conduct this activity online via **Zoom teleconference on March 11-12, 2022 (Monday-Tuesday)** from **9:30 -12:00NN** for the morning sessions and **1:30 - 4:00 PM** for the afternoon sessions.

Save the Children will provide load allowances for the participants and obtain signed consent forms from the children and their parents or guardians, signifying their willingness to participate in this activity.

Please feel free to communicate with our Area Coordinator, James Rory R. Grecia, at mobile number, +63 9773891196 or email: james.grecia@savethechildren.org for any questions or clarifications regarding this activity.

Truly Yours,

Marlon Matuguina
