GUIDELINES ON THE CANCELLATION OR SUSPENSION OF CLASSES AND WORK IN SCHOOLS IN THE EVENT OF NATURAL DISASTERS, POWER OUTAGES/POWER INTERRUPTIONS, AND OTHER CALAMITIES

I. RATIONALE

The Department of Education (DepEd) upholds the principle of promoting the welfare, safety, and security of learners and personnel at all times. Accordingly, in times of disasters and calamities, safeguarding the learners and personnel from unnecessary physical dangers that they may be exposed to, and protecting their constitutional rights to life, health, safety, and property, remain to be department's paramount consideration.

In line with the existing policies of the department in ensuring the safety and security of our learners and school personnel, it recognizes the need to suspend or cancel classes and work in schools during emergencies brought about by natural disasters and calamities, or the occurrences of brownouts in places where schools are located.

Thus, this Order is being issued to provide guidance on the suspension of classes due to disasters or calamities, or power outages or interruptions, to spare the pupils, students, teaching and non-teaching personnel in schools from unnecessary dangers to their lives and limbs.

II. SCOPE

The following guidelines shall be observed in all schools within the Department of Education for all teaching and non-teaching personnel. This will also cover the learners under the jurisdiction of the DepEd in the public schools.

Private schools and community learning centers, as well as state/local universities and colleges (SUCs/LUCs) have the option to abide by the provisions of this DepEd Order.

Provisions in previous DepEd issuances inconsistent with this Order and its enclosure are hereby modified accordingly.

III. POLICY STATEMENT

1. The Department upholds the principle of promoting the welfare, safety, and security of learners and personnel at all times, which remains the DepEd's paramount consideration.
2. This policy aims to protect the physical and psychosocial welfare of learners, personnel, and their families by providing guidance on the following:

- a. suspension of classes and work in schools during times of calamities, natural disasters and/or emergencies, or power outages/power interruptions,
- b. interventions needed to address the impacts of disasters, and
- c. the roles and responsibilities of all concerned.

IV. GUIDELINES ON THE CANCELLATION OR SUSPENSION OF CLASSES AND WORK IN SCHOOLS

1. Typhoon

In-person, online classes and work from Kindergarten to Grade 12 and Alternative Learning System (ALS) are automatically cancelled in schools situated in Local Government Units (LGUs) issued with Tropical Cyclone Wind Signals (TCWS) 1, 2, 3, 4 or 5 by the Philippine Atmospheric, Geophysical, and Astronomical Services Administration (PAGASA).

If the TCWS is issued at a time when classes have already begun, the school shall immediately suspend the classes and work and send everyone home, if it is safe to do so. However, schools are obligated to keep the students and personnel safely in school if travelling has become unsafe.

Local Chief Executives shall decide on the cancellation or suspension of classes in cases where there are strong winds in specific or all areas of the LGU but is not issued a TCWS.

the students and personnel safely in school if travelling has become unsafe.

Local Chief Executives shall decide on the cancellation or suspension of classes in cases where there is flooding in specific or all areas of the LGU but is not issued a Flood Warning by PAGASA.

4. Earthquakes

In-person, online classes and work from kindergarten to Grade 12 and Alternative Learning System (ALS) are automatically cancelled in schools situated in LGUs where the Philippine Institute of Volcanology and Seismology (PHILVOCS) declare an earthquake with PHILVOCS Earthquake Intensity Scale (PEIS) V or above.

6. Adjustments to Learning Delivery Due to Suspensions/Cancellations of Classes

In the event of cancelled or suspended classes, modular distance learning, performance tasks, projects or make up classes shall be implemented to ensure that learning competencies and objectives are still met.

In adherence to the provision of DepEd Order No. 14, s. 2021, learners who miss learning activities due to class suspensions brought about by various disruptions like disasters and/or emergencies due to natural or human-induced hazards shall be accorded due consideration in their attendance and the completion of their learning tasks.

Central, Regional, and Schools Division Offices, and schools shall activate their DRRM Teams to prepare, monitor, and respond to the situation. DRRM Team members, particularly DRRM Coordinators and Engineers, shall be required to report to work in the aftermath of the disaster to continue undertaking response, early recovery, and reporting based on established DRRM protocols (e.g., an inspection of school facilities to vet damages as reported by School DRRM Coordinators, detailed assessment of damaged facilities for purposes of developing the Program of Works for infrastructure costing in rehabilitation and recovery plans, and participation in coordination meetings with LDRRMCs). Other DRRM Team members may likewise be required to report to work, as needed.

Officials of private schools may exercise discretion relative to the work arrangement of their DRRM personnel.

10. Responsibility of Parents or Guardians

The DepEd still maintains that parents or guardians have the ultimate responsibility for determining whether their children should attend classes in consideration of their physical and/or mental health during disaster

and calamities. This applies even if no order for cancellation or suspension of classes has been issued.

Nonetheless, it shall also be the responsibility of the parents or guardians to ensure that their child is able to catch up with the needed competencies that the learners should master.

V. MONITORING AND EVALUATION

The Disaster Risk Reduction and Management Service (DRRMS), in coordination with relevant DepEd Central (CO) offices and affected regions and divisions, shall continue leading the implementation of existing mechanisms for monitoring, reporting, and responding to the impacts of disasters on DepEd schools. This includes the suspension of classes and work in schools, the activation of DRRM Teams, and the delivery of PFA.
