## OFFICE OF THE CITY CIVIL REGISTRAR

15 January 2024

**JOHANNA N. GERVACIO, PhD., CESO V**  
Schools Division Superintendent  
Department of Education  
Science City of Muñoz, Nueva Ecija

Dear Dr. Gervacio,

In connection with the conducted PhilSys Birth Registration Assistance Project (PBRAP) where Learners from our city's public schools were chosen as the priority beneficiary, we are very delighted to inform you that 174 Learners born in our city were already registered.

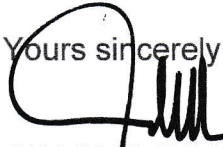

In this regard, we are seeking again your assistance in successfully disseminating the schedule of awarding of the copies of the registered Certificate of Live Births (complete list by school as place of survey and registration hereto attached) and ensure their attendance in the said activity which will be happening on January 23, 2024 at the Science City Multipurpose Hall at 9:00 o'clock in the morning with the Hon. Baby Armi L. Alvarez to personally do the awarding.

Please advise the parent/s and guardians who will release and accept the copies of the birth document to bring with them their valid, government-issued IDs. The Learners need not attend the said awarding as minors are not allowed to handle civil registry documents on their own pursuant to the Child and Youth Welfare Act and the Data Privacy Act of 2012.. Also, please help us ensure their attendance as we will no longer issue the said original owner's copy of births other than the said date, otherwise, they will be needing to pay the prescribed fees in securing the transcribed (not original) copies at the Office of the City Civil Registrar..

In totals, we were able to apply 293 births for registration, 119 of which are still in process to other municipalities as they were born outside the city. Help us assure these 119 Learners that we are doing our best to register them by coordinating with the PSA just that since their place of birth is not the science city, we will need to be patient in waiting for its outcome.

Please accept my highest appreciation as I foresee your generous assistance for the success of this undertaking.

Yours sincerely,
