SCHOOLS DIVISION MEMORANDUM

No. 034, s. 2024

SCHOOL BASED WEEKLY IRON AND FOLIC ACID SUPPLEMENTATION

To: Assistant Schools Division Superintendent
Chief Education Supervisors
All Public Elementary and Secondary Schoolheads
All Others Concerned

- 1. The SDO Science City of Munoz in partnership with the City Health Office of the Local Government Unit, strongly supports the implementation of the School Based Weekly Iron and Folic Acid Supplementation among Grade 7 – 10 female learners in public elementary, secondary, and integrated schools, which shall be conducted every monday for 12 weeks starting from February 5, 2024 until April 22, 2024.
2. The program aims to reduce the prevalence and severity of anemia among the adolescent female age group, improve their nutritional status and immunity against diseases.
3. Enclosed herewith is the parental consent form.
4. For queries, you may contact MARIANNE C. CORONEL, MD, and MARK SYDORE I. ARIMBUYUTAN, RN through their facebook messenger.
5. For wide dissemination of this memorandum is hereby enjoined.

JOHANNA N. GERVACIO PhD, CESO V
Schools Division Superintendent
