**STREET DANCING COMPETITION
GENERAL MECHANICS AND GUIDELINES**

A. QUALIFICATIONS

1. The competition is open for all students enrolled in their respective secondary schools.
2. All entries must be composed of the following:
 - a) Dancers: 50 Dancers
 - b) Propmen: Minimum of 20 maximum of 30 and should be wearing plain black pants and shirt only.

B. GENERAL RULES

1. The dance entry must be creative-interpretative and/or folk based.
 - a) The dance entry has a fusion of folk and contemporary concept.
 - b) The dance entry should be based on beliefs, practices, history, legends and rituals and/or according to the other social characteristics of Science City of Muñoz. Choreography, props and costumes should be inspired as to the origin of the concept. It must also incorporate agricultural products as secondary theme of the dance.
 - c) The dance entry must not have any political undertone and should conform to the normal standards of morality.
 - d) The entry must be well thought of well prepared and able to bring out the best of Science City of Muñoz.
2. The official UHAY Festival Music (provided by the organizer) will be shared to all contingents and must be used **ONLY** on the last part of dance showdown choreography during the celebratory closing. For the beginning of the dance showdown, each participating school should create/prepare their own music, using existing music that depicts the life of the countryside, specifically farmers. Ethnic music or the like is **NOT** allowed to be used.
During the entire street dance parade, different music will be provided by the organizer, where each participating school should create their own movement. Movement of the dance parade should be progressive/ continuous during the entire parade.
3. Science City of Muñoz OTOP may be featured but not necessary. Props materials endemic and indigenous to the town are encouraged, however no
